

WATERLOO - CANADA | ••

CANADIAN EDUCATION FOR YOUR FUTURE

LOVE WHERE YOU LIVE *

WHY WATERLOO REGION?

Waterloo Region is Canada's Technology Capital

Waterloo Region provides rich cultural opportunities, bustling nightlife, affordable housing and public transit. It's only 1 hour from the province's largest city, Toronto, and 1.5 hours from Niagara Falls. With a population of over 13.5 million, Ontario offers tmore job opportunities than any other province in Canada.

OUR CAMPUSES

WATERLOO REGION INDUSTRIES

Conestoga College provides a steady stream of highly skilled and qualified talent to support Waterloo Region's vibrant economy and its many expanding industries:

Manufacturing is the largest industry in Waterloo Region (Canada's 4th) with over **1850 businesses in this sector**.

AUTOMOTIVE

Waterloo Region has more than 80 globally recognized companies in the autotech sector such as Toyota Motor Manufacturing Canada Inc. and Rockwell Automation Inc.

FOOD PROCESSING

The industry is reinforced by Conestoga College's Institute of Food Processing Technology, more than 1,400 farms, 130 regional food manufacturers, and **5,700** jobs in the food processing sector in 2016.

TORONTO - WATERLOO INNOVATION CORRIDOR

The 112 km corridor between Toronto and Waterloo Region contains **15,000 tech companies**, **300,000 tech workers**, and hosts more than 170,000 jobs. The start-up ecosystem is further sustained by our incubator hub, Communitech.

AEROSPACE

Less than a two-hour drive to three US borders (Canada's major aerospace export market), Waterloo Region has over 85 aerospace businesses employing more than **3,240 residents.**

BUSINESS & FINANCIAL SERVICES

Sun Life Financial, Manulife Financial, and Equitable Life Insurance are some of the notable business and insurance companies in the area.

Health & Life SciencesS

Emerging biotechnology, medical and environmental science industries are gathering steam in the area. Some notable companies include AGFA HealthCare, Unitron, and ON Semiconductor.

INFORMATION & COMMUNICATION TECHNOLOGIES

Dubbed: the Silicon Valley of the North, we are home to Canada's largest technology companies such as Google, D2L, and Shopify. With **over 1700 related businesses**, Waterloo is at the centre of Canada's strategy to be a global artificial intelligence (AI) leader.

LOVE HOW YOU LEARN *

WHY CONESTOGA COLLEGE?

Conestoga College extends a warm welcome to students from around the world.

Conestoga is a leader in polytechnic education.

Our career-focused education programs – from apprenticeships to diplomas, degrees to post-graduate certificates, continuing education and part-time studies – all reflect Ontario's changing job market and will help you build the skills and knowledge that today's employers are seeking.

EDUCATIONAL EXCELLENCE

Every year, students choose Conestoga because of our reputation for educational excellence and our commitment to helping students reach their personal and academic goals.

Conestoga is well-recognized for quality programs and exceptional services for international students.

CAREER-FOCUSED LEARNING

Conestoga is committed to hands-on, career-focused learning that will prepare you for success in your chosen field, whether in business, community services, engineering, health and life sciences, hospitality, computer science & information technology, interdisciplinary studies, creative industries, or skilled trades.

SCHOOLS

We offer extensive programming in the following fields:

Applied Computer
Science & IT

Business

Community Services

Creative Industries

Engineering & Technology

Workforce Development

Health & Life Sciencess

Hospitality & Culinary Arts

Interdisciplinary Studies

Trades & Apprenticeship

LOVE HOW YOU CONNECT

WE'RE IN THIS TOGETHER!

Conestoga College supports you – from application to graduation.

It's important to us that you feel supported while you're here. Conestoga College offers several services to help make your transition to studying in Waterloo Region a successful one.

All of the available support services are accessible on the link below:

conestogac.on.ca/international/student-support

INTERNATIONAL STUDENT ADVISORS AND TRANSITION COORDINATORS

Our International Student Advisors (ISAs) are Regulated Canadian Immigration Consultants (RCICs) or Regulated International Student Immigration Advisors (RISIAs). They provide professional immigration advising on any aspects related to your legal status as an international student in Canada as well as that of your immediate family members. Our International Transition Team helps support your pre-arrival, arrival, and post-arrival transition to Canada.

STUDENT ENGAGEMENT

Student Engagement focuses on learning-centred campus experiences where opportunities for personal and leadership development are realized, where student accomplishments are celebrated, and where partnerships among students, the student association, faculty, staff and administration are cultivated.

LOVE YOUR FUTURE CAREER

WORK IN CANADA.

WORKING ON CAMPUS &

The work study program is designed to help provide jobs on campus for international students. Available opportunities are both part-time (during school) and full-time (during scheduled breaks).

WORKING OFF CAMPUS &

Thinking of getting a part-time job? Study permit holders in Canada may gain work experience by working part-time off-campus while completing their studies.

CO-OPERATIVE EDUCATION &

Co-op is a form of work-integrated learning that allows you to apply learning from your academic studies to a real employment setting. This experience provides you with an understanding of the dynamics of a professional workplace and prepares you with the skills needed to contribute to an organization right from the start. Degree programs, plus many diploma programs and graduate certificates, offer an optional co-op. Consider applying for a co-op program at Conestoga!

ZEYU CHEN - CHINA

Mechanical Systems Engineering

I chose my degree program because of its high accountability and my love for machinery.

\$10,231*

Average Co-op Salary
Median hrs/14 Weeks

ANJANA VISWANATHAN - INDIA

Human Resources Management

I did my co-op in the Career Hub at Conestoga College and it gave me a chance to understand Canadian work culture. The connections I made eventually led me to my future job.

\$9,397*

Average Co-op Salary Median hrs/14 Weeks

ALESSANDRO SANTOS - BRAZIL

Mobile Solutions Development

I secured a job after graduation at McAfee as a Senior Software Engineer, and I play soccer every week with my friends! I work hard and play hard!

\$10,466*

Average Co-op Salary Median hrs/14 Weeks
